

BOYS, GIRLS RECEIVE AWARDS

Many in Attendance and Athletic Honors Given at Schools

Many awards were made in El Segundo public schools prior to the close of the school year. High school awards were presented at a special awards assembly.

Attendance certificates were awarded young people this year. Sixty boys and girls had perfect attendance and were not tardy during the second semester while 36 were neither tardy nor absent for the entire school year. Eight were neither absent nor tardy for two years and three for four years. Following is the list of those neither absent nor tardy:

SECOND SEMESTER—

Second Grade—Lauri Martin, Robert Ford.

Third Grade—Darrell Adams, Reggie Shields, Charles Bell.

Fourth Grade—Betty Johnston, Addie Lee Patterson, Douglas Campbell, Reggie Peterson, Bobby Schannep, Jon Walker, Jack Primrose, Larry Ward.

Fifth Grade—Grant Grubb, Robert Troutman, Gerald Roach.

Sixth Grade—Edward Fitzgerald, Marcy Jordan, Gary Marks, Louise Randall, Betty Jo Hensley, Jo Anne Engle, Gloria Jean Mahla, Jerry Ray, Joan Hoefle, Mary Stanton, James Clark, Virgil Corbett.

Seventh Grade—Lester Mitchell, Herman Morgan, Donald Pollard, Beverly Manson, Betty McClary, Barbara Primrose, Helen Prosser.

Eighth Grade—Carlos Langley, Audrey Drebing, John Beggs, Howard Barrett Jr., James Felder, Peggy Fleming, Jack Kraushaar, Louise Shaw, Edward Sindoff, Edna Thompson, Donald Tower, Joanne Triplett, Darlene Ward, Alice Warren.

Ninth Grade—Patricia Mitchell, Nancy Tuck, Louise Pierotto.

Tenth Grade—Mary Ann Nielsen, Harry Bisbey, Glen Elliott, Jim Ingraham, Annette Kanode, Wesley Morgan, Donald Nicholson, Betty Weathers.

ENTIRE SCHOOL YEAR—

First Grade—Mona Ann Wilson.

Second Grade—James Bobbitt, Donna Everhart, Jerry Luben.

Third Grade—David Taylor, Mary Ann Allen, Robert Grubb, Zelma Ray.

Fourth Grade—Kathryn Thomas, Bobby Dorch, Calvin Martin, Patrick Murphy, Bobby Beathard, Leann Descher, Jeannine Lloyd, Ronnie Wilmot.

Fifth Grade—Robert Smith, Sallee Hazeltine, Warren Farley, Richard Cowdery, Billy Floyd.

Sixth Grade—Marilyn Cannon, David Wilcox, Bonnie Layne, Ava Lee Robertson, Shirley Dinwiddie, Laura May Gephart, Carol Sue Riley, Janet Spearman, Ronald Heusser.

Eighth Grade—David High, Marjorie Taylor.

Tenth Grade—Marian Johnson, Merle Neifert, Peter Stange.

Twelfth Grade—Shirley Eatough.

FOR TWO YEARS—

Leonora Stuck, Janice Stuck, Richard Bantz, Ramon Hazeltine, all in grade six last year; Marjorie Taylor, eighth grade; Lloyd Campbell, Harry Lynn, Jim Norris, all in the tenth grade.

FOR FOUR YEARS—

Diane Louise White, fifth grade; Gladys Smith and David Stuck, both seniors.

Other awards given out include the following:

TRACK LETTERMEN 1946

Varsity—Bob Redfield, Kenneth Peach, Bill Higbee, Ronald Mort and Leon Pinney.

Class B—Vernon Roschewski, Alan Koffman, Frank Armbruster, Fred Reinhardt and Jim Ingram.

Class C—John Lowe, Richard Hughes and Warren Cooke, manager.

BASEBALL LETTERMEN 1946

Jerry Hanley, Tom McNulty, Jerry Neifert, Tom Dennis, Dick Scales, Marty Smith, Dare Gilman, Jim Oppolzer, Dick Zivalic, Bob Sheldon, Bill Reiter and Dick Hill.

Managers—David Stuck and Tom

Early Copy Requested for Next Week

Because of the Fourth of July holiday El Segundo Herald will be printed a day early, Wednesday. Consequently it will be necessary to receive both news and advertising copy by Tuesday. Request is that news and display advertising be submitted not later than Tuesday morning and classified advertising by 5 o'clock the same day—the earlier the better. Cooperation will be appreciated.

Ground-Breaking Ceremony Held Sunday Afternoon

Members of the First Baptist Church of El Segundo held ground-breaking ceremony Sunday afternoon on the site of their building, East Palm Avenue and Penn Street, initiating construction of the first unit.

Rev. Paula Risser, vice chairman of the Inter-Faith Committee of El Segundo churches, in the absence of Father Michael O'Shea, represented the churches of El Segundo and extended greetings from her own Foursquare congregation. She welcomed the new church as a means of meeting the great need of preaching and teaching the gospel.

Rev. Arthur E. Harrington brought greetings from the Community church and reminded those present of the benefits derived from cooperation of all churches.

Rev. J. Franklin Gasser, pastor of the new church, voiced appreciation of the friendly spirit of the city and the fellowship of its pastors. He praised the teamwork of his building committee which had brought forth such good results.

Excavation for the first unit of the new church was completed Monday and material is now arriving for the job.

Maurice E. Ward, El Segundo recreation director prior to entering the army in 1943, has been named new adult director of Club Gunga-Din of Hawthorne. Ward, who received his discharge recently, will succeed Mel Laven, who resigned to continue his university work. Club Gunga-Din is a youth center for teen-agers in Hawthorne which has attracted much attention.

"Maurie" Ward as he is known to his Kiwanis friends in El Segundo, is a graduate of the University of Oregon, and is a former coach at Reedport (Oregon) High school. He and Mrs. Ward, formerly Margaret Mountford, El Segundo kindergarten teacher, and their young daughter reside at 527-B Standard Street.

ADAMS

SWIMMING LETTERMEN 1946

Varsity—Bob Green, Gary Hoefler, John Horne, Bob Hughes, Bill Jordan (manager), Walt Puffer, Dave Madrick and Gayle Shilling.

Class B—George Allen, Glen Elliott, Kenny Mort, Don Mullins, Dick Peterson, Jack Spargo and Pete Stange.

Class C—Paul Sturm and Ray Shepherd.

TENNIS LETTERMEN 1946

Norman Harlow, Jerry Snow, Arlen Cannon, James Triplett, Robert Jordan, John Keester and John Farrell.

G. A. A. AWARDS 1946

1500 Points—Gladys Levenson, Sally Simkins, Joyce Thuresson, Beverly Westover.

500 Points—Ruth Douglas, Shirley Lyman, Pat Mitchell, Barbara Moore, Nelva Thurston, Nancy Teck, Rosalie Prosser, Beverly Benis, Phyllis Berthor, Jackie Effland, Francema Fulton, Marjorie Pollard, Elaine Goodhart, Mary Lou Griffin, Emma Lou Lyons, Jean Murphy, Eileen Sullivan and Ruby Yoder.

Girls' Bay League Tennis—Audine Campbell, Alice Carrill, Annette Kanode, Billie Joan Mason, Marian McKenzie, Lorna Pinney, Sally Simkins, Gladys Smith, Carolyn Snider, Erna Mae Snider, Sally Vierich and Shirley Wilson.

publishers and general manager, and he and his family are already residing in a newly purchased home at 2525 West 81st street, Inglewood.

Mr. Kraft will not be active in the business and will continue to maintain his residence in Illinois except for occasional trips here.—Inglewood Daily News.

C. I. O. WILL VOTE ON CONTRACT WITH STANDARD

Local 547 of Oil Workers International Union will hold meetings at 9:30, 1:00 and 7:30 o'clock Monday, June 30 so all members can vote on the proposed contract with the Standard Oil Company of California covering El Segundo refinery.

The drilling of the three gas wells represents another step taken by the Standard in its program to reduce the smoke and fumes emanating from the El Segundo refinery.

EL SEGUNDO HEARS FROM WATER DIST.

Council to Write Urging That Favorable Action Be Taken

El Segundo city council has received a letter from W. P. Whitsett, chairman of the Metropolitan Water district, in reply to its communication expressing a desire for annexation of this city to the district, in which Whitsett said the West Basin constitutes "an acceptable annexation unit." The council decided, after hearing the letter read Wednesday night, to send in another letter urging further consideration of its desire for annexation. The letter from Chairman Whitsett follows:

"Consideration has been given to a communication from City Clerk Victor D. McCarthy of the City of El Segundo, in which it is stated that the members of your body have expressed themselves as favorable to the annexation of El Segundo to the Metropolitan Water District of Southern California. The communication requests the board of directors of the District to recommend the procedure that should be followed by your body in furtherance of your desire for annexation.

"In response to inquiries received from the City of Redondo Beach and from other nearby areas, this board has made the determination that the incorporated and unincorporated areas overlying what is generally referred to as the West Basin constitute an acceptable annexation unit. This area includes the eight cities of El Segundo, Gardena, Hawthorne, Hermosa Beach, Inglewood, Manhattan Beach, Palos Verdes Estates and Redondo Beach, and the unincorporated territory east and west of the Los Angeles 'shotstring' strip and within the West Basin.

This overlying area is a natural geographic unit with respect to the importation of water, for the reason that the various communities and districts involved now draw their water supplies from the same source and have a common need for supplemental water. The annexation to the Metropolitan Water district of only a portion of the area might result in the release of local waters to the un-annexed portions, thus giving them an unfair advantage over the annexing territory. This would be inequitable to the annexing area and to the District.

"It is understood that steps are now being taken by a citizens committee representing the communities above mentioned to organize a municipal water district that will include El Segundo and all or most of the other areas which overlie the West Basin. Such a procedure affords El Segundo a method of annexation acceptable to this board.

"Please be assured that full information relating to the legal steps required in the annexation of an acceptable area, the costs to be assumed by the annexing area, and other relevant data is available to you and may be obtained from the District's engineering and legal staffs."

Standard Refinery Promotion List Announced

A number of promotions within the ranks of the Standard of California's El Segundo refinery during the month have been announced by general manager W. W. Davison. The changes were announced as follows:

C. G. Gillespie to general maintenance foreman.

F. J. Cullen to construction supervisor replacing Mr. Gillespie.

A. S. Crawford to maintenance foreman No. 1 district replacing Mr. Cullen.

J. Mahla to maintenance foreman No. 2 district.

R. E. Bolton to assistant foreman (operations) in the light oil division.

C. E. Williams to assistant safety engineer in the industrial relations division.

Standard Oil Completes First of Three Gas Wells

The Standard of California on June 12 completed the first of three gas wells planned for the El Segundo field. The well was drilled to a total depth of 1520 feet and a production test showed a potential production of 500,000 cubic feet of natural gas per day. The well is to be put on steady production to supplement the supply of natural gas burner fuel now purchased from the Southern California Gas company for use in the El Segundo refinery.

The drilling of the three gas wells represents another step taken by the Standard in its program to reduce the smoke and fumes emanating from the El Segundo refinery.

Junior C. of C. Installs Officers at Dinner

George Gordon, New President, Succeeds W. Baker

El Segundo Junior Chamber of Commerce held its annual installation of officers at a dinner meeting last Thursday. Willard Kreutz of the Inglewood Junior Chamber of Commerce was guest speaker and installing officer.

New officers installed for the year ending June 30, 1947 are George Gordon, Jr., president; Earl Morgan, Jr., vice president; Vaughan Bateman, secretary; Ralph Friesen, treasurer; Charles Ray, state director; Earl Hess, director at large; Charles Ray, Ray Appleton, George Bender, Frank Chamberlain, Ronald Kinley, Charles Pryor and Bruce Campbell, board members.

President Clyde Burgett, of El Segundo Chamber of Commerce, expressed appreciation for the "splendid" way in which Past President Wilburn Baker had guided the J.C.C. through its first two years of activity. The membership was in unanimous agreement that many of the past successes have been through the untiring efforts and excellent leadership of Mr. Baker.

Councilman Baker thanked the officers and board members who served with him for their loyal support. He enumerated many opportunities ahead which hold a challenge to the entire organization in the coming year. He then presented the new president, George Gordon, Jr., with a new gavel and gave him the president's pin which was presented him by the National Junior Chamber of Commerce two years ago.

President Gordon outlined a full program of activity for the new year. He expressed confidence in all the officers elected to serve with him and stated that the Jay Cees will do much in helping El Segundo to progress in the new year.

Bouquets of roses were presented by Mrs. Willard Kreutz of Inglewood to the retiring president's wife, Mrs. Wilburn Baker and to the incoming president's wife Mrs. George Gordon, Jr.

Mr. Baker announced that a women's auxiliary of the El Segundo Jay Cees to be known as the Jayne Cees had been formed. He complimented all the wives on the way in which they have supported the men and wished them much success in their new organization. He then installed the officers of the Jayne Cees as follows: Kay Gordon, president; Wilma Morgan, vice president; Opal Frieser, secretary; Helen Anderson, treasurer.

At the request of Vice President Morgan many volunteers were obtained to help pack and crate food already collected in the current Emergency Food Collection campaign.

More Cash Wanted in Emergency Food Collection

More than a ton—2200 pounds of canned foods, has been contributed in Emergency Food Collection, according to Wesley T. Anderson, in charge of collection. To date, \$250 in cash has been received, reports George E. Gordon Jr., chairman for El Segundo campaign, which will close Sunday. More cash contributions are urged.

The canned goods were collected in house-to-house calls by Boy and Girl Scouts and Cub Scouts who placed the cans on corners where Sea Scouts, in charge of Kent Annis picked them up and took them to the Community church where they were boxed and weighed by Earl Morgan Jr., assisted by a group of volunteer helpers from the Junior Chamber of Commerce.

Closing event in the Emergency Food collection campaign will be the dance to be given by El Segundo Chamber of Commerce, in the city hall auditorium Friday night, starting at 9 o'clock. Music will be furnished by Anthony Pinto and his orchestra. Donations will be \$1 a person. Tickets may be obtained at 105 West Grand Avenue, by telephoning 672 or at the door.

BIBLE SCHOOL TO GIVE PROGRAM WEDNESDAY, JULY 3

The summer Bible school of the Foursquare church will give a program Wednesday evening at 7:30 o'clock when work done by the group of approximately 55 boys and girls will be on display.

In the three weeks the class has been conducted, 15 20-inch rag dolls, many stuffed animals and soft dolls, as well as some wooden boys have been made by the children, to be sent to missionaries for use in their work in foreign fields.

Because it was impossible to obtain someone to take the place of Mrs. A. E. Hayden who has been in charge of the Bible school, it is being closed after three weeks. Mrs. Hayden is going with Mr. Hayden and their grandchildren, on a trip east. The public is invited to attend the program Wednesday.

HOPE SEEN IN SAVING AMERICA

Foursquare Gathering Creates Enthusiasm in Local Auditorium

Despite rampant crime in America, sale of more liquor than ever before and moral conditions not what they should be, there is hope for America, in the opinion of Howard Rusthio of Long Beach who served as chaplain in Germany in World War II and who spoke Monday night in the high school auditorium before approximately 600 persons at a Centinela district Crusader rally, with seven Foursquare churches of the district participating. Much enthusiasm was shown at the meeting here.

The speaker told of an evangelistic campaign starting in Washington, D. C., which it is expected will sweep the country. There in the capital city of the nation members of various churches joined in the campaign and numerous members of congress and other high officials cooperated. It is planned to conduct the campaign in 100 large American cities. An effort will be made to save America through revival.

"This thing is bigger than any one church—all churches must cooperate," said Rusthio, who was aided in the program by Mrs. Rusthio.

The meeting opened with a musical program which included music by the Centinela District orchestra, directed by Juanita Stump of Gardena, accordion solos by Rev. H. J. Stanfield, assistant to Mr. Rusthio, and a vocal duet by Mr. and Mrs. R. J. White of the local Foursquare church.

The gathering Monday night was the fourth in a series of nine rallies for the district Crusaders, for which Adah Belle Shelby, co-pastor of El Segundo church, is commander. A neon Crusader sign is to be presented to the group winning the most times in an attendance contest. El Segundo Crusaders have been winners at three of the four rallies held. Other churches participating in the rally were those of Inglewood, Torrance, Hawthorne, Gardena and Redondo Beach.

SUMMER SCHOOL DEPARTMENT TO OPEN NEXT MONDAY

Beginning Monday the second department of a skill subject summer school will start operating on the summer playground. This second department is open to last year's sixth, seventh and eighth graders and will offer work in reading, arithmetic, spelling, and other necessary tool subjects.

Application forms may be had at the elementary school office or at the recreation department office. Hours for the summer school will run from 8 to 12 with no student staying more than three hours.

The upper division of the summer school will be taught by Mrs. Ora Ferguson. Prospective students, who have not already filed an application, are asked to appear at that time at the south wing of the elementary building, room 101.

Girls and Boys Numbering 190 Enjoy Program

Approximately 190 girls and boys enjoyed two assemblies of the summer playground at the El Segundo recreation center last Monday, saw a movie program and registered for the different activities which will be carried on throughout the summer. At the registration desks were Grace Potts, Marie Sherrill, Grace Spelling, Mary Donaldson, Karl Barnore and Harvey Hazelton. Registrations will continue for the organized activities all during this week.

El Segundo residents are urged to call 278 or 19 for all types of workers for such odd jobs as car cleaning, lawn cutting, child care and similar work. The employment agency at the recreation center has a number signed up who are willing and anxious to work.

Night ball on Monday nights promises to be popular. Partial organization for three local teams has already been accomplished and a regular schedule will start operating soon.

A special assembly will be held on Friday afternoon, June 28, which is open to all students who secure tickets.

Dogs without license tags are being picked up in El Segundo by Inglewood Humane society which has a contract for taking care of city's pound service.

It is known that a large number of dogs have been running at large without license tags. Those who

City Council Invites Bids on Various Items

El Segundo city council is carrying on page 7 of this issue of El Segundo Herald a notice of sale of equipment, other municipal property and nursery stock and is inviting bids thereon, to be submitted on forms which will be furnished free of charge on application to the city clerk. They are to be filled out and in the hands of the city clerk on or before 7 o'clock Wednesday evening, July 3, at which time they will be opened, examined and publicly declared by the council. Items to be sold are no longer needed by the city, or in case of the nursery items are surplus stock.

New Officers Elected Monday by Legion

World War II Veterans Predominate Among Those Chosen

World War II veterans predominated when new officers were chosen by El Segundo Post 38 of the American Legion at the election held Monday evening.

Floyd E. Manning who has served as adjutant this year was elected commander to succeed Edwin H. Ely. Richard W. Carr was named first vice commander; Raymond A. Stone, second vice commander; William S. McCoy, adjutant; W. Harry Hoefle, finance officer; G. M. McEachern, sergeant-at-arms; Liveras A. Lee, chaplain and Hoyt F. Fleming, historian. Carr, Stone, McCoy, Hoefle and Lee are all veterans of World War II.

Installation of officers will take place some time in August.

ACT OF VANDALISM COMMITTED HERE SUNDAY NIGHT

Another act of vandalism, that of throwing a quart of Chinese red enamel paint on the bas-relief figure of a girl swimmer at the right of the entrance of the school plunge sometime Sunday night, shocked citizens who passed by the building early Monday morning. The figure was the work of Merrill Gage, noted sculptor. Janitors washed the paint off Monday as best they could, although a pink tinge remained. The brand of paint used is said not to be sold in El Segundo.

Up to the first of the week licenses for 152 males and 158 females had been paid. Fees payable April 1, were doubled June 1 because of being overdue.

City council approved signing an agreement with the United States government relative to bringing 20 housing units to El Segundo for veterans and making them ready for occupancy. The city will have to spend considerable money in connection with the project, although considerable of this is expected to be taken care of by the state later.

City Clerk Victor D. McCarthy announced Wednesday night that he has applications for housing from 33 persons.

When the S.S. David C. Shanks docked Sunday morning in San Francisco, bringing 407 wives and 129 children of service men, Jack Neill of El Segundo post office, and Postmaster and Mrs. Clyde Burgett, were on hand to greet Neill's Australian wife, Yvonne—on their first wedding anniversary.

Neill, who arrived back in El Segundo early in February, had not seen his bride whose home was in

Sidney, Australia, since January 10. Mr. and Mrs. Burgett and he left Saturday morning for San Francisco and the party returned Wednesday. They visited Sunday and Monday with Mr. and Mrs. Wesley W. Layne of Richmond, formerly of El Segundo. Mrs. Neill said she was pleased with the ship and was well treated on the voyage. Mr. and Mrs. Neill will be at home at 209 Richmond street.

That it shall be unlawful for any person or persons to throw or explode any firecracker, fireworks or explosives of any kind at, in, from or under any motor vehicle, whether said motor vehicle be moving or standing, or to throw or explode any firecracker, fireworks or explosives of any kind in or on any property, whether public or private, where dry weeds, grass or any combustible rubbish exists.

That it shall be unlawful for any person or persons to fire, ignite or discharge any firecracker, fireworks, or explosives of any kind within the Fire District No. 1 in said City of El Segundo.

No "dangerous fireworks," as defined by state law, can be used at any time in California.

Australian BRIDE OF LOCAL MAN ARRIVES THIS WEEK

SAFE, SANE JULY FOURTH DESIRED

Portions of Ordinance Quoted to Guide Local Celebrators

To make Fourth of July a "safe and sane" occasion and to protect the boys and girls from bodily harm and to protect the community from unnecessary fires, parents in El Segundo are urged to cooperate by seeing to it that city regulations are carried out. Especially for the benefit of those who are new in the community it is pointed out that it is unlawful to discharge firecrackers or explosives of any kind prior to 7 o'clock in the evening of July 3.

SECTION 1. That Section 1 of Ordinance No. 16 of the City of El Segundo, California, entitled, "An Ordinance, regulating the use of firecrackers, torpedoes, fireworks and display explosives of all kinds within said City," passed and adopted on the 27th day of June, 1917, shall be and the same is hereby amended so as to read as follows:

The following paragraphs are taken from city ordinance 208, governing sale and discharge of firecrackers, fireworks or explosives of any kind:

NEEDED - BETTER UNDERSTANDING

Much is being done nowadays to create mistrust among nations rather than to bring about understanding. Misunderstanding and suspicion undoubtedly are creating a bottleneck in the road toward world peace. Russia is being given word blasts by newspapers and radio news commentators. We certainly do not understand Russia in all things. News censorship is maintained and that in itself creates suspicion. Russia is suspicious of Great Britain and the United States. To iron out the situation there must be better understanding and some giving and taking. The giving should, of course, not all be on the part of the United States.

Current news stories on "secret" weapons have indicated that the major powers and some smaller nations are still threateningly mindful of developing armaments, or possibly boasting of some special power. To use as a "big stick" the atomic bomb, a perfection of new weapons of great destructive power or discovery of some new poison that could be used to kill off humanity in another war, is not conducive to bringing about a state of friendly relations between nations.

El Segundo Herald was interested in what Lord Inverchapel, newly appointed ambassador to the United States from Great Britain, was reported by Lucy Greenbaum in the New York Times, to have said. In his opinion, Russia wants the United Nations organization to work, but he admitted that Americans and Englishmen are "a very puzzling people to those who aren't brought up among us—even to each other at times." He declared that if patience, wisdom and good sense are exercised, complete understanding with Russia may be brought about. Let's hope he is right!

CHIEF JUSTICE STONE

Chief Justice Harlan Stone, who recently passed on, was only the twelfth man in more than a century and a half of American history to hold that high post. During that time 32 men have served as president of the United States. Appointed

to the supreme court 20 years ago by his college classmate President Calvin Coolidge, Harlan Stone became one of the three or four famous dissenters of the court. He was known as a liberal in the days when that tribunal was dominated by the so-called conservatives.

Later, when President Roosevelt gained the opportunity, through resignations and deaths, to replace most of the "nine old men," who had been the center of the bitter court-packing controversy in 1937, Stone found that his liberal views were conservative when compared with those of the new members of the court. In 1940, however, with the retirement of Chief Justice Charles Evans Hughes, Mr. Roosevelt considered Associate Justice Stone sufficiently liberal to appoint him to the top post.

During the past five or six years Chief Justice Stone held to his well-balanced views in the face of some radical decisions handed down by his associates. His sound judgment and stabilizing influence will be missed.

"FULFILLING OUR MISSION"

General McNarney's order tightening discipline among American occupation forces in Europe is welcome. He rightly declares that rapid demobilization no longer excuses a laxity which has become both disgraceful and dangerous.

General McNarney mentions some of the things which make it disgraceful—including "black-market activities," "drunkenness," and a "complaining attitude." He might have added looting, immorality, brutality, and an "American arrogance" which have caused many Europeans to rate the American conquerors on a par with the Nazis.

The danger lies not in any immediate prospect that slackness will permit uprisings to succeed, but in the long-range prospect that the example of Americans in Europe, and particularly in Germany, will persuade the people that democracy is a poor thing.

We know that the minority of bad examples tends to make more news than the majority of good ones. We know that thousands of soldiers have won respect and affection for America. But the McNarney order only confirms other evidence of the need for reform—a reform which will require much more than tighter discipline. Further steps—to keep the troops busy and to provide more recreational and educational facilities—should support the order on discipline.

The General touches one key to the situation when he demands "pride in fulfilling our mission." There is little evidence that one soldier out of a hundred in Europe has any clear idea about the American mission. The Army indoctrinated its men for military victory; it has failed to indoctrinate them for mental and moral victory. In Germany there is still a chance to win some of the fruits of victory through teaching democracy by example. But unless the Army soon shows that it at least recognizes that "mission," occupation should be put in the hands of civilians.—Christian Science Monitor.

By F. and M.

Those City Officials—We all have our characteristic habits, poses or peculiarities. Some of us are decidedly queer, in fact, in the eyes of others. Many of the traits are those that others would like to cultivate, while others are inconsequential although characteristics of the individuals. Comments have been made, for example about the speed with which the writer often walks—rapid walking was also a characteristic of his father and his brother, no longer living.

Take the city officials. Weeks and years of sitting in on council meetings has made us familiar with their peculiarities. One in an especially responsible position as a presiding officer conducts himself with calm dignity and in a pleasing manner. Another reels off the names of the councilmen in roll call with speed and the greatest of ease. Yet recently, because of a routine of year's standing he started with the name "Binder" and thereupon there was a good-natured titter in the room. He is the one and only and most efficient man the city has ever had in the position he occupies.

At the north end of the table is another man who has served the city efficiently through the years, one who words motions and resolutions with amazing precision. He always wears a black suit and he enjoys good cigars. The councilman next to him, building and planning commissioner, has a way of looking over his spectacles. He is working now on a plan for community Christmas decorations. The new public safety commissioner appears to be taking an interest in his job and the affairs of the council. The

finance commissioner to the left of the mayor doesn't have as much to say as some of the others although he gives the impression of weighing his utterances carefully. The public works commissioner, sitting on the south side of the table, gives carefully planned reports on the water situation and other subjects and gives the impression of being methodical.

The city engineer, etc., etc., seated at the southeast corner of the table, presents figures and gives concise information, when needed on the work in several departments. When he desires to drive home a point he is making, he often points with a finger. A former mayor, who frequently drops in at council meetings, sometimes has a piece of grass protruding from his mouth. He has always had the reputation of having an especially good knowledge of municipal affairs. The deputy city clerk who takes notes at a council meeting now and then is said to be especially efficient in this work.

Those in public office never can please everyone. Impression of the writer, who has attended meetings of the council for 17 years, is that El Segundo has been extremely fortunate in the persons chosen for office, and that the community owes them a debt of gratitude.—F.

Prefers El Segundo Brand of Climate—Ralph Thompson representing El Segundo Kiwanis club at the Kiwanis International convention in Atlantic City wrote June 9 to the club telling of the convention and commenting on the weather as follows:

"The weather: Hot as Imperial Valley in midsummer. You could sit on the board walk, in the shade and mop your face continuously, although there was a stiff breeze blowing. Everyone sat in the Convention Hall and fanned themselves with programs all evening. But

what a change when we came out at 11:30 p. m. The thermometer had dropped 30 degrees and that stiff breeze cut like a knife. I'll take the brand of climate that El Segundo dishes out."

From Here and There—Federal census takers say there is a baby born every 11 1/2 seconds in the United States, or about 154 new kiddies every hour. Deaths occur every 22 1/2 seconds, and marriages one every 20 seconds. . . . Ontario's airport has returned more than \$220,000 to that city's treasury during the last five years from the sale of grapes grown between the runways. . . . At the end of April 1946 the United States had a grand total of 15,884,000 veterans of all wars. . . . The ultimate in courtesy is achieved by a new alarm clock which silently flashes a light off and on in your face for 10 minutes before breaking into a soft chime. . . . Obstinate sleepers who survive lights and chime still have to endure bells and a siren. . . . The really great man is the man who makes every man feel great, according to D. K. Chesterton. . . . In France from 1817 to 1831 the average age of man was 29.

Slips That Pass—Caption on a society girl's picture in a Memphis newspaper: "West Virginian's Finances" . . . The Las Vegas Review-Journal put it this way: "She was a member of the Chetniks, a band of Serbian Gorrillas" . . . The Columbus, O. Citizen listed the following sermon topics in the church calendar: "Morning: 'All men seek ye.' Evening: 'Foolish Virgins.'"—Inglewood News.

Worked Under Major Bowles—J. Allan MacKenzie who conducts dancing classes in the Woman's club house, and Jeanette McDonald the movie star had their first jobs in (Continued on Page 6)

Looking Around
By THE OBSERVER

"The good stewards still have a job"

Once upon a time a man went into a far country and was gone long years. When he returned home he found a member of his household had tended his possessions and made them flourish.

Like one of the great parables our story is about a stewardship well done.

Millions of our boys have returned from the faraway—to find their homeland better than they left it. They find westerners entitled to a "Well done!" for their good stewardship of the nation's forest playgrounds.

While our fighting men were away, their kinsmen saved the vacation country—the shaded streams and forest-templed hills—from the same fiery devastation that blackened Hiroshima and Berlin. They did this through a three-pronged drive on carelessness.

They put out every campfire twice.

They broke every burned match in two.

They drew the fiery fangs of every cigarette butt.

Wherefore men who at the last forest fire season were scattered from Luxembourg to Okinawa—their lives often a bad gamble against two pins—are having the vacation of their lives this summer. The mountain air from the mountains of home, the feel of a trout rod as it comes alive in their hands—these mean alike recreation and re-creation for them.

So, more than ever, the good work must go on—come this and that and high humidity! For the fire demon never quits. Yet the rules of stewardship remain as simple as A-B-C. (A) Drown every campfire twice. (B) Break every burned match. (C) Make sure your cigarette is out.

Listen to "The Standard Hour" Sunday evenings, now at 7:30 over N.B.C. Stations.

El Segundo 10 Years Ago

The senior edition of the Gusher, put out by the high school journalism class and printed by El Segundo Herald, was distributed following assembly Wednesday afternoon.

The staff to whom credit is due for the senior edition, including the writing and editing of copy as well as the proof reading, was composed of Lillian Lehnberg, editor-in-chief; Oscar Gumpert, assistant editor; Vivian Robertson, senior editor; Lindley Allen, boys' sports; Ruth Schlimme, feature editor; Charles Grabb, advertising manager; Ray Berkline and Margaret Morrison, circulation managers; Maureen Broberg, typing and Miss Ovidia Gudmundsen, advisor.

Twenty-four boys and 21 girls will be graduated from the eighth grade and will receive their diplomas at ceremonies in the high school auditorium at 2:45 this Friday afternoon, when announcement of honors will be made by J. A. Carmichael, principal, and medals will be awarded by Orin Myers, commander of American Legion Post 38. Superintendent C. L. Broadwater will present the diplomas and the grammar school orchestra will play. There will also be selections by the class chorus.

Approximately 1500 Standard Oil employees together with their families and friends will board the S. S. Catalina at Wilmington Saturday for the much-discussed Catalina outing.

The steamer will leave promptly at 9 a. m. Buses start from El Segundo at 8 o'clock from in front of the Converse Pharmacy, making connections at Wilmington.

El Segundo band is functioning again! Members of the organization have expressed such an earnest desire to have it continued that Arthur W. Statt, director, has volunteered his services. The band will practice each Tuesday at 7:30 in the Girl Scout hall. Naturally it is hoped by those interested that some plan may be worked out for paying Mr. Statt. The band has a membership of approximately 40.

Although a person may find it easy enough to put on a good front he has to stand inspection from all four sides, according to Geoffrey F. Morgan, of Santa Monica, author, lecturer and statesman, who spoke before members of the high school graduating class of 52 members and hundreds of townspeople and friends from elsewhere who attended high school commencement exercises last Thursday evening. His subject was "The Foursquare Man."

Suit has been brought against the city of El Segundo for the first time in its history! The Southern California Telephone company has sued the city of El Segundo and other cities for refund of taxes already paid.

It is claimed that the state board of equalization assessed the properties on which the taxes were paid at unreasonably high figures.

With the necessary 1000 reservations practically assured, the departmental committees entered the

final days of this week in a forced effort to contact every person intending to make the Catalina excursion June 6 and 7.

With the largest attendance in the history of Rod and Reel section of ESSOE breakfasts present Sunday morning in the city park—nearly 150 including families of members—a fish repast "fit to set before a king" was served, in the opinion of those who sat down at the tables.

Art Blair had charge of general arrangements and Walter Pierce was chief chef. Mayor Peter E. Binder, dishwasher—that's what he said to say his position was—was one of those who seemed to be having an especially good time. Young Lloyd Bogue was one of Blair's chief assistants.

Clarence Fuller was elected president, Ben Pitcher, vice president, Lindley Allen, secretary, Lee Ayer, chairman of the stag party committee at the regular meeting of the Boy's league Wednesday, May 20.

"Oh, yes, I knew Mr. Randall. He has not changed much since I saw him 45 years ago, except for his hair which is white," said W. T. Setchell of Camelford, Cornwall, England, who arrived recently on the S. S. Berengaria with his wife and their daughter, Mrs. Ruth Cook of Prestwich, Manchester, England, for a visit at the home of Mr. and Mrs. Harry Randall, 218 West Pine avenue. "I would have known Mr. Randall anywhere because of his old, familiar expression of good temper," added Mr. Setchell.

New officers of El Segundo Juniors were installed at a meeting in the Girl Scout hall Tuesday evening, with Mrs. H. S. Tilton, president of El Segundo Woman's club, serving as the installing officer. Eleanor Griffiths was installed as the new president; Mrs. Paul Mandaville, first vice president; Ruth Schlimme, second vice president; Mrs. James A. Cummings, Jr., federation secretary; Ruth Fitzgerald, secretary; Dorothea Fitzgerald, treasurer. Doris Hunt, retiring president, was presented with a past president's pin.

Mrs. H. S. Tilton and Mrs. Karl Barmore entertained with a stork shower and bridge party in honor of Mrs. W. P. Schlechte, last Thursday evening at the home of Mrs. Tilton. Decorations were in pink and white. Blue and white vases in the shape of baby carriages contained pink and white blossoms.

Mr. and Mrs. Dave Peterson and son Richard returned recently from a trip to South Bend, Ind., where they purchased a new automobile.

RODEO AND AIR SHOW TO HONOR VETERANS JULY 3 - 6

A two-day rodeo and two-day air show will share top billing on the gigantic five-day "Veterans Welcome Home" Fourth of July jubilee in Torrance, according to Councilman W. H. Tolson, general chairman of the committee in charge.

The salute to the 1600 sons and daughters of Torrance who served in World War II will open July 3 with the Fourth Annual Torrance Rodeo which will bring to Torrance ball park the best rodeo ring performers among the cowboys of America. This championship performance will open at 8 p. m. The rodeo performance will be repeated on July 4 at 2 o'clock.

Rodeo performers, will be a feature of the big parade in Torrance on July 4 at 11 a. m. also July 4, an all-Western barbecue sponsored by the Lions club will open, serving barbecue dinners in El Prado park. A carnival and midway, and everything that goes with it, will open to the public. There will be open air vaudeville. At 6:30 July 4, veterans will be honored with a dinner and dramatic stage show in the Civic auditorium. A cowboy dance will follow at 9 o'clock.

July 5 will be marked by the air show at 1 o'clock with the famous U. S. marine corps fighter squadrons simulating raids and air battles. A big display of latest commercial and military aircraft will be open to the public on the Torrance airport, 101 Highway and Hawthorne blvd. The air show will be repeated July 6. The evening of July 5 and 6 will be marked with Veterans dances in the Civic auditorium.

HAWTHORNE LEGION INITIATES 50 MEN

In a colorful ceremony held on the evening of Memorial day at Leuzinger High School auditorium, Hawthorne Post No. 314, The American Legion, initiated a group of 50 new members, mostly veterans of the second World war.

Following a number of musical selections by the Leuzinger High School band and introduction of visiting Legion notables, the ritualistic team of South Bay Post No. 184, the American Legion, performed the initiation ceremony, with Past 19th District Commander John Dunn giving the obligation.—Lawndale Tribune.

LOCAL THEATRE FILM FEATURES ANNOUNCED

"Saratoga Trunk" which has been highly advertised and has been commented on both favorably and unfavorably will be shown in El Segundo theatre Friday and Saturday. The Bergman-Cooper-Ferber combination is something to attract attention.

"Devotion," will be shown next Wednesday and Thursday. Here is what a notice has to say concerning the picture:

"Like unto a beautiful old English etching—and just as inanimate—is this celluloid biography of the Bronte family, which lived in Britain during the 1830s and included two women novelists whose works have remained classic for more than a century. For those who truly appreciate artistry in picture-making, the film has much in store and they will leave the theatre singing its praises, their plaudits inspired by meticulous mountings, sensitive direction and sterling performances. Such reactions, plus the marquee weight of a star-studded cast, should insure towering takes for the picture in debuting engagements."

STATE PICNICS

ILLINOIS

All El Segundo residents who have ever lived in Illinois are invited to attend the all-day picnic reunion in Sycamore Grove park, Los Angeles, July 4. Registers will be opened to assist in finding friends.

NEW SUGAR STAMP WILL BECOME VALID MONDAY, JULY 1

Spare stamp No. 10 in family ration books or contained among sugar stamps issued to applicants such as veterans, infants or others who never received the regular ration book will become valid July 1 for five pounds of sugar for home canning purposes, it was announced today by Edwin A. Poehmann, Southern California OPA sugar rationing chief. Both the new stamp, spare No. 10, and the one previously issued and currently in use—spare stamp No. 9—will continue to be valid through October 31, 1946. No applications need to be filled out. Sugar stamps for veterans, recently born babies or others who never were issued the regular ration books to which are entitled, may be obtained by applying to the OPA's district office, 1031 South Broadway, and not to their local boards.

TRICONAL

THE WORLD'S BEST TREATMENT FOR

Wood Shingles

Triconal was developed solely to prevent the curling, buckling and splitting of wood shingles. We believe it to be far superior to anything now on the market. A combination of non-drying oils and recognized wood preservatives. Its beneficial effects far outlast those of shingle stains or pure linseed oils.

We recommend only one treatment during the life of the building.

VACATION DAYS ARE HERE!
YOUR OUTINGS COST LESS WHEN YOU STOCK UP AT **SAFeway**

Here's a tip for vacationists: Whether you plan a weekend excursion or an extended tour to distant points, you'll find it a good idea to stock up first at Safeway. Fill your "take along" food needs quickly, easily and economically at our store near your home. You can make a real saving on your vacation expenses.

SAFeway FOOD PRICE POLICIES PLEDGE PROTECTION FOR YOU

Regardless of what happens to OPA ceiling prices on foods, these Safeway price policies are a pledge that Safeway prices will be kept as low as possible:

1. In setting its retail prices, Safeway will continue to give customers the benefit of savings resulting from our way of doing business by pricing at the lowest point that will yield a reasonable profit. For many years Safeway's profit has averaged less than two cents on every dollar of sales.
2. Safeway will do no speculative hoarding. Stores will contain the largest possible supplies of foods at all times and they will be made available to all customers.
3. Safeway will pay full legitimate market prices to farmers and other producers of food.

LOCALS

Mr. and Mrs. Merritt Ritter and children of 646 Maryland street will leave this Friday for Newcastle, Colo., to make their home. They will visit the Grand Canyon and Vesa Verde enroute. The Ritters who came to El Segundo four years ago, formerly made their home in Newcastle. Mr. Ritter has been employed at the AiResearch Manufacturing plant.

Rhea Walker, daughter of Mr. and Mrs. Russell Walker of East Mariposa avenue, left Tuesday by the Santa Fe El Capitan for Lansing, Mich., where she will visit her mother's sister, and then go to Rushville, Ind. to visit her father's relatives. She will return home in September in time to enter the University of Southern California for her second year as a pre-medical student.

Joseph L. Randall, son of Mr. and Mrs. J. S. Randall of 707 Hillcrest, who just completed finals at the University of California in Berkeley where he is a student in civil engineering, has returned north after spending a week here.

Mr. and Mrs. George Merritt who returned recently from Big Bear, plan to go to Petaluma to visit Mr. Merritt's grandmother. Mr. Merritt was released from the marine corps, June 7 at Treasure Island.

Mr. and Mrs. B. Harry Caruthers returned home Tuesday after spending a few days at Big Bear.

Mr. and Mrs. W. W. Davidson have received word from their son, Midshipman Richard D. Davidson, that he has "passed examinations and is now in" at the United States Naval Academy, Annapolis, Md.

Mr. and Mrs. A. E. Hayden and grandchildren, Gary Lee, Leanna and Deanna Peterson will leave by automobile July 4 for Kansas and Missouri where they will visit relatives. They plan to visit the Grand Canyon, Carlsbad Caverns and other points of interest on their one-month vacation journey.

Mr. and Mrs. W. F. Walker, 925 Virginia street, are expecting their son, Major Clyde E. Walker who has been recuperating at Walter Reed hospital in Washington, D. C., following an operation he underwent in Lawson General hospital in Atlanta, Ga., to arrive home today for a visit. Major Walker has written that he is feeling well, but a change of climate has been prescribed to hasten his complete recovery. After a few days at home he is to report at Catalina and then at San Francisco. He is with the air transport command and is hoping to be transferred to the west coast.

Mr. and Mrs. Francis L. Stout have moved to 623 Loma Vista street. Mrs. Stout was formerly Betty Lou Overholtz.

Mr. and Mrs. L. G. Suender have gone to Kodiak, Alaska, for a visit at the home of their son and daughter-in-law, Mr. and Mrs. William R. Suender.

Dick Randall, son of Mr. and Mrs. Dean Randall, who was recently released by the navy, is enrolled as a freshman at Stanford university where he is taking a course in electrical engineering. Mr. and Mrs. Randall drove to Palo Alto with their son.

Harry J. Ainsworth, son of Mrs. Frances Ainsworth of 135 Virginia street, who was serving as motor machinist's mate first class in the navy, received his discharge June 21 at Terminal Island. Ainsworth, who enlisted June 18, 1942, served 41 months over seas. He served on the USS Card and the USS Crockett. He participated in anti-submarine operations and has the Asiatic-Pacific, American Area, European-African-Mediterranean (2 stars) ribbons, the Victory medal and Presidential Unit citation. Before entering the navy he was employed as machine shop operator for J. R. Gardner Co., Inglewood.

Technician Fifth Grade Donald L. Hughes, son of Mr. and Mrs. D. E. Hughes of 122 West Mariposa avenue, is now serving with the famous first cavalry division in the present occupation of the Nippon capital. Overseas 16 months, Hughes is now with headquarters troop, fifth cavalry regiment. Formerly with the 77th division, he recently transferred to the first cavalry division according to press notice to El Segundo Herald from the public relations office. He is a veteran of one campaign, and wears the Asiatic-Pacific theatre ribbon with one star, the Philippine Liberation with one star, the Good Conduct ribbon, the Victory ribbon and the Combat Infantryman's badge. Hughes is a graduate of El Segundo High school. He attended University of Southern California prior to entering the army July 27, 1944.

Mr. and Mrs. L. J. McQueen have moved from 913 Sheldon street to Bellflower.

Shirley Irene Dinwiddie, 11-year-old daughter of Mr. and Mrs. Clarence Dinwiddie, has received the call for which she has been waiting. She was called by the Screen Guild to go to location Saturday for the RKO production, "One More Chance," starring Jean Parker. The location, according to Shirley's father, was on Ventura boulevard and the set-up was a private girl's school. Shirley has been studying for some time in preparation for such an opportunity.

Alexander Newton of Chicago, Ill., cousin of Mrs. Robert F. Falconer, left for his home Wednesday after spending a week here.

Mr. and Mrs. E. L. Cravens and family moved recently from Blythe to the house at 602 Whiting street, purchased from Mr. and Mrs. F. A. MacDonald who moved to a new home in Inglewood. Mr. and Mrs. Cravens have four children.

Mr. and Mrs. Edward G. Searles have moved from Santa Monica to 614 Maryland street, property purchased from Mr. and Mrs. Floyd Gumpert who moved to Yucaipa. Mr. Searles is employed at the refinery.

David Stuck, son of Mr. and Mrs. Frank E. Stuck of 713 East El Segundo boulevard, and June graduate of El Segundo High school, reported Wednesday morning in Los Angeles for induction into the army and is being sent to Camp Beale for classification. David, who received his information in regard to the army's recruiting program from Sergeant L. R. Engle of El Segundo, connected with the recruiting station in Santa Monica, has expressed a desire to do radio work in connection with the army air force. He enlisted for three years.

Condition of Mrs. J. W. Gilbert Herald Classified Ads Pay

who has been ill, is reported to be improving.

Use of Library in El Segundo Increasing

Books and magazines lent in May by El Segundo Public library—2999—exceeded those lent in the corresponding month of 1945 by 59, the report of Miss Mary Halley, librarian, shows. Largest circulation in a day was 187 and the smallest 70. Percentage of adult circulation was 51.

Number of card holders at the end of the month was 2875 in comparison with 2833 at the end of April. Adult cards numbered 2370 and juvenile cards 505.

Number of books on hand at the end of the month was 11,160, an increase of 48 in a month. Added were 42 books by purchase and 6 by donation. Juvenile books in the library at the end of May totaled 3520. Pamphlets on hand numbered 962. Forty-eight newspapers and magazines were on subscription. Money received from fines was \$48.33 and because of damage to or loss of books \$6.80, making total cash received \$55.13.

VETERANS REMINDED OF DEADLINE, JUNE 30

June 30 is the last day on which veterans can enlist in the regular army and still take advantage of two benefits which include retention of old grade and family allowances. Family allowances for dependents will be continued throughout enlistment only if the veteran enters the regular army before July 1, 1946. If a veteran has been discharged from the army and has been out longer than 90 days and if he is qualified under war department pamphlet No. 12-16 he will still get his old rank back if he enlists before July 1, 1946. Further information may be obtained from the United States recruiting service, Los Angeles district, sixth army area, 103 South Pacific avenue, Redondo Beach.

El Segundo veterans enlisting in regular army may contact Sergeant L. R. Engle, 930 Eucalyptus, of the recruiting service.

All recruiting stations will remain open all day Saturday and Sunday, the last two days in which ex-soldiers may re-enlist.

That it doesn't pay to drive when drunk was shown when an Inglewood man in an automobile accident Monday at Sepulveda boulevard and East Grand avenue, was fined \$150 or 30 days in the county jail by Judge Peter E. Binder.

El Segundo Whips Allied Die Craft by 13 to 3 Score

By A. E. CAMPBELL

El Segundo took Allied Die Craft, 13 to 3, on the high school field Sunday.

The boys made 12 hits stand up for 13 runs. McCarthy and Anderson hit homers. Myatt went hitless the first time in months.

Fisher and Anderson scored three runs apiece, with Anderson getting three for five at bat.

McCarthy was a busy little bee, all afternoon accepting 10 chances and making eight assists.

Smith pitched the route allowing 10 hits and three runs; but was never in serious trouble.

Next week the boys will meet Bondy's All-Stars and that will be a whooper. Following is the summary for Sunday's game:

ALLIED DIE CRAFT—

Junior and Senior High school report cards will be mailed out next week, Superintendent Harry E. Moore reports.

JUDGE BYRNE TO BE SPEAKER MONDAY, JULY 8

Superior Court Judge William M. Byrne will be the speaker Monday evening, July 8, at the Boys' State-Girls' State dinner in the American Legion hall for which tickets are being sold. Many interested townspeople are expected to attend.

OBITUARY

BESSIE E. ARTHUR

Christian Science services for formerly of El Segundo, who passed Bessie E. Arthur of Inglewood, away Thursday, June 30 at her home, 10015 South Grevillea, were read in Beaver chapel in Inglewood, by Mrs. Nina Badger of El Segundo, Monday afternoon at 2 o'clock. Soloist was Mrs. Rex Thompson, also of El Segundo. Interment was in Oakdale cemetery, Covina.

Miss Arthur, who was born in Cripple Creek, Colo., is survived by her mother, Davie E. Arthur; her father, John T. Arthur; two sisters, Pearl Arthur of Inglewood and Adah Castro of Oakland, and three brothers, Ralph of Inglewood, Milton of Amarillo, Tex., and Fallis of North Hollywood. Previous to moving to Inglewood four years ago, Miss Arthur made her home at 615 West Holly avenue in El Segundo.

key to better SHOPPING Shop "between 10 and 4" By leaving home after the morning traffic rush, the wise shopper finds travel comfortable and arrives at the shopping district fresh for the day's adventures. And shopping, too, is more satisfactory. There are greater selections of merchandise—more time to make desired purchases—clerks are not all tired out—and neither are you! By boarding car or motor coach not later than 4 p.m., the wise shopper is homeward bound before the evening traffic rush and has ample time to leisurely prepare the evening meal. Thus a more pleasant day is had by all—when you "Shop between 10 and 4."

Plenty of HOT WEATHER Ahead

Vacation Land Treasures

No-Host Club Meeting Held Wednesday

The No-Host bridge-luncheon club which has met during the summer months for several years, in the patio at the home of Mrs. Earle L. Scofield, held its first meeting of the season Wednesday. The club, composed of 36 members, meets every three weeks.

Joyce Hughes Married Friday Evening

Joyce Hughes, daughter of Mr. and Mrs. Arthur H. Hughes, 535 Arena street, and Charles J. Brown, son of Mr. and Mrs. Allen E. Brown of Pasadena were married in a double-ring candlelight ceremony conducted Friday evening in the Community church by the Rev. Arthur E. Harrington, pastor.

Marriage rites were performed before the altar decorated with Shasta daisies, white snapdragons and ferns. White tapers in elaborate tall white candelabra burned on each side of the altar. Mrs. Lawrence Scott, organist, played the traditional wedding marches, and soft music preceding the ceremony, and Eleanor McCoy sang "I Love You Truly."

The bride, given in marriage by her father, looked lovely in her wedding gown of white marquisette over taffeta, fashioned with a long train. She wore a long veil attached to a band of orange blossoms and carried an arm bouquet of white calla lilies.

Mrs. Robert J. McCarthy, matron of honor, wore a dress of yellow dotted net and carried lavender Esther Reed daisies. Mrs. Harold Nelk and Mrs. Frank Smith who were bridesmaids wore blue dotted net frocks and carried pink Esther Reed daisies. Susan Carr, little daughter of Mr. and Mrs. Al Carr, served as flower girl, wearing a blue frock, fashioned with a long skirt.

Allen E. Brown, father of the bridegroom, attended his son as best man, and Nyles Huffman and Dale Huffman of Pasadena, young uncles of the bridegroom, served as ushers.

A reception was given in the church parlors following the ceremony. The young couple who went to Palm Springs for the week end, will make their home in Pasadena. Mr. Brown, formerly captain in the army air forces, spent two years overseas. He is now laboratory technician with the Phelps-Dodge Copper corporation in East Los Angeles. The bride, who is a graduate of El Segundo High school and attended Santa Monica Junior college, was released recently as yeoman second class, after having served 19 months as member of the Wave.

Mrs. Powell Honored at Farewell Parties

Mrs. Frederick Powell of 427 Loma Vista street, who is to leave El Segundo to make her home elsewhere, has been honored at several parties.

Mrs. Eugene Oakley entertained with a luncheon, followed by bridge, in the Town House in Los Angeles, inviting the following friends of Mrs. Powell to be guests: Mrs. E. E. Lyder, Mrs. Charles Lewis, Mrs. E. L. Scofield, Mrs. Robert R. Thorburn, Mrs. Emory C. Hughes, Mrs. Robert E. Bolton, Mrs. C. H. Lynam, Mrs. W. R. Selby, Mrs. Edward G. Smyth and Mrs. Marvin Miller.

Mrs. Robert R. Thorburn was hostess at a dessert-bridge party at her home, when guests were invited for four tables.

Mrs. E. E. Lyder entertained with a bridge-luncheon at her home last Thursday, in honor of Mrs. Powell. Guests included Mrs. C. H. Lynam, Mrs. Charles Lewis, Mrs. Walter Lee Cole, Mrs. Robert R. Thorburn, Mrs. Edward G. Smyth, Mrs. Marvin Miller, Mrs. Emory C. Hughes, Mrs. E. L. Scofield, Mrs. Frank M. Palmer and Mrs. Eugene Oakley.

Mr. Powell is being transferred to a new position by the Standard Oil company, but just where he and Mrs. Powell are to make their home is not yet known.

Married in Inglewood Friday Evening

Miss Luthera Uecker of Hollywood and Rex Neschke of El Segundo were married Friday evening in the Good Shepherd Lutheran church in Inglewood by Rev. E. W. Dierker, pastor, in the presence of

approximately 60 guests.

The bride was attired in a gown of white lace over net, and a veil of fingertip length. She carried a bouquet of orchids. Her only attendant was her sister, Miss Elaine Uecker, also of Hollywood, who wore a pale green formal and carried talisman roses. Serving as best man was Victor Neschke, brother of the bridegroom. Ushers were Raymond Moyer and Leon (Buzz) Adams, brother-in-law of the bridegroom. A reception was held in the church parlors, following the ceremony.

Mr. Neschke is the younger son of Mr. and Mrs. Gustaf Neschke of 328 Whiting street. He is a graduate of El Segundo High school and is now testing engineer for Thompson Products of Inglewood. Mrs. Neschke who is the daughter of Mrs. Kathryn Uecker of Tilden, Neb., was formerly employed by the same firm. Following a visit at the home of the bride's mother, the newly-married couple will be at home in Hollywood.

Barbara Jean Brown Married June 22

Barbara Jean Brown, daughter of Mr. and Mrs. J. W. (Jim) Brown of Hawthorne, became the bride of William C. Evans of Des Moines, Ia., in a ceremony conducted at 8 o'clock Saturday evening in the Lawndale Congregational church.

The bride was employed during the war emergency as mail messenger at the Standard Oil refinery. Her father is with the industrial relations department at the refinery. The bridegroom is a veteran of World War II, having served with the U. S. navy in the Pacific area.

After a short honeymoon in the San Bernardino mountains, the young couple will be at home in Des Moines where the bridegroom will complete his education at Drake University.

Married Tuesday Morning in Home Ceremony

Mrs. Gurne S. Adams of 360 Whiting street became the bride of Earl B. Gilbert of Pasadena, in a ceremony conducted at her home Tuesday morning at 10 o'clock, by the Rev. Arthur E. Harrington of El Segundo Community church. The wedding was followed by breakfast in the Manhattan Patio, and a brief honeymoon in Santa Barbara.

Mrs. Adams, widow of W. C. Adams, has many friends in El Segundo where she has resided for a long time. Mr. Gilbert is a retired employee of the Santa Fe railway company. They will make their home in El Segundo.

Local Young Folk Married Saturday

Miss Mary McDonald, daughter of Mr. and Mrs. William L. McDonald of 336 West Imperial highway and David Charles Koerner, elder son of Mr. and Mrs. Charles J. Koerner of 529 West Mariposa ave., were married at 10 o'clock Saturday morning in St. Anthony church. Nuptial mass was conducted by a cousin of the bridegroom's father, Rev. Martial Luecke, O.F.M., a Franciscan priest of Santa Barbara. He was assisted by Rev. William O'Donnell of Mother of Sorrows church in Los Angeles, former pastor of the American Martyrs church in Manhattan Beach.

hatten Beach.

Mrs. Leona Pollard organist, of St. John's church in Inglewood, played the wedding marches and also sang two solos, "Just for Today" and "Pans Angelicus," and Mrs. John Vreeland of Los Angeles, aunt of the bridegroom, sang Gounod's "Ave Maria."

The bride who was given in marriage by her father, looked lovely in her gown of white satin fashioned with a long train, and a long over-the-face veil attached to a tiara of seed pearls. She carried a round bouquet of white rosebuds surrounded by maidenhair fern.

Marie Koerner, sister of the bridegroom, and Carolyn McDonald, sister of the bride, were junior bridesmaids. The former wore a yellow frock with long skirt, and blue flowers in her hair and the latter, a blue frock with yellow flowers. They carried blue and yellow nosegays. Lucille McDonald, another sister of the bride was a bridesmaid. She wore a yellow net dress and carried yellow roses and delphinium. Dorothy Jean Prenovost of Hawthorne, maid of honor, wore blue net and carried pink and white sweet peas. Little Joyce Vreeland, cousin of the bridegroom, who served as flower girl, also wore a blue frock.

Best man was Richard Koerner of Los Angeles and ushers were Tom McDonald, brother of the bride, and Robert Broderick of South Gate.

A wedding breakfast and reception was given in the city hall auditorium, following the ceremony. The newly married couple went to Yosemite to spend their honeymoon.

DECLARED TO BE BEST-DRESSED WOMAN IN SO. CALIFORNIA

Mrs. George Stewart of 610 Penn street was declared to be the best-dressed woman of Southern California recently by a fashion expert on a radio show in Hollywood. Dressed in a black full-sleeve blouse with jacket of black-and-white checked material complemented with purse, shoes and gloves, and a crownless hat, Mrs. Stewart is said to have been "a picture of charm." She designs and makes all her clothes. She is the mother of two daughters, Jeanette 18, and Donna, 9½. Mr. Stewart is a clerk in production accounting at the Standard refinery.

EL SEGUNDO TEAM TO PLAY IN TOURNEY

El Segundo baseball team will be entered in the Southern California tournament for semi-pro teams in Torrance starting August 3. Sixteen strong teams will be in the running, according to Perry Campbell.

Department FOR Gardeners

By FRANK L. SNOW

First Sweet Corn Reported—Mrs. Frank W. Dillard, 915 Virginia street, called to say that she and her husband enjoyed their first golden bantam sweet corn from their garden Sunday, June 16.

It is taken for granted that there must be others who are now picking their own home-grown corn. We have been doing so for a week.

Corn does mighty well here in El Segundo if planted correctly and given necessary care. It may be planted any time between now and August 1. Still plenty of time to start a garden in compliance with government request that as much food as possible be grown in the present emergency.

Joe Reddington Corn—F. and M. enjoyed some of Joe Reddington's sweet corn today. Mr. Reddington, whose death occurred recently said not long ago that he planned to send in some of his early corn for us to sample. Mrs. Reddington remembered this and so sent some corn by Bert Cummings who brought in a load of apricots from his ranch near Hemet. The Reddingtons have been living on the ranch. Joe used to grow delicious sweet corn on the Reddington Ranch, West Walnut avenue, El Segundo. It will be remembered that he amazed local citizens and visitors by making his field corn shoot skyward until it reached a height of 16 or 17 feet. He demonstrated what could be done by use of plenty of fertilizer together with careful cultivation and application of the right amount of water.

Has Seed to Spare—The writer has seed to spare that he saved last year and would be glad to share it—salsify or oyster plant, parsnip and sweet corn.

Like to See Gardens—I'd like to visit a few interesting gardens in town—have you and you and you something you'd like to show?

YOUR VICTORY GARDEN

By Agricultural Extension Service, Los Angeles County, University of California and United States Department of Agriculture.

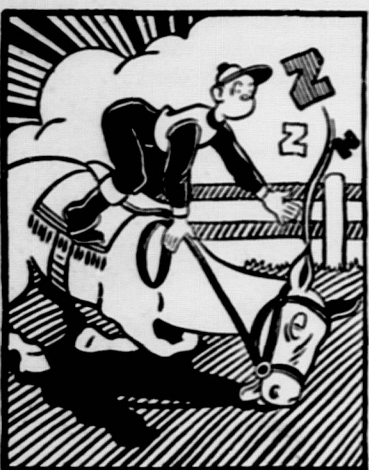

Losses of food the country over due to shortages of machinery, transportation tieup and shortages, cannery strikes, weather, etc. make the home growing of food increasingly important. There is still time to plant beans, sweet corn, tomatoes, sweet potatoes, winter squash, and many other crops for late summer and fall harvest.

Pressure Cookers—Home canning of non-acid vegetables—beans, corn, asparagus, etc.—must be done with pressure to be safe. Food processed in a community cannery will be safe. If you pressure can at home, be sure to have the gauge tested so that you will know pressure and temperature are safe. There are several commercial companies who will test them, or you can take them to the customer's department of your local gas company—the nearest to you. Remember! An inaccurate gauge may mean a low temperature with danger of botulism, or it may mean too high a pressure with danger of explosion.

Bugs—That green colored one with 12 black spots on its back, or the grayish brown one with three stripes is not a lady bug! It is a cucumber beetle. Young tender garden plants are one of their pet foods. Cryolite dusts are the most effective for control. Dusting should begin as soon as the first beetles appear and should be repeated every ten days to cover new leaves as they grow. Cryolite is a poison, so begin early and you may not have to dust after the melons or squash or beans form on the plants. If necessary to dust while the fruit is on, be sure to wash it thoroughly.

Tomatoes—More about this red fruit, which incidentally is one of the best sources of vitamins. Smokers, this is a warning: your fingers will transmit tobacco mosaic from a cigar, pipe, or cigarette tobacco to tomato plants. Tobacco mosaic will

WHY IT HAPPENED

The only way I can get any life into this nag is to mention the new R. C. A. Radio, the radio of the future sold for your pleasure today. Come in and let us demonstrate its many advanced features. It pays to buy the best in radio and the best means R. C. A. For all-round performance and satisfaction, buy an R. C. A. F. & F. RADIO & APPLIANCE COMPANY is your R. C. A. dealer.

F. & F. Radio & Appl. Co.
353 MAIN PHONE 316

stop production on the plants and cause their death. So! Don't throw cigarette butts, pipe yields, or cigar stubs in the garden, and wash your hands with soap and water before handling tomato plants.

Beans—Beans need warm soil for quick germination. They also will do better if treated with an organic fungicide called Spergon before the seed is put in the ground.

Begin applications of sulphur dust on beans by the time they are six inches high and repeat approximately every two to three weeks. Sulphur dust will control red spider if daytime temperatures are above 70 degrees. If cool weather persists, spray with wettable sulphur or with about a 1½ per cent liquid lime sulphur and water mixture.

With no nicotine sulphate available on the market, or at least very limited quantities, use pyrethrum or one of the other substitute materials such as derris or lethane to control aphids and thrips.

Bermuda Grass—This "joy" is familiar to every gardener, but it need not interfere seriously with the growth of garden vegetables if a paper mulch is laid down over the bed so as to cut out all sunlight. Total lack of sunlight means death for bermuda grass and all other weeds. If you have no other space for a garden than an area full of bermuda grass, just call the stuff fertilizer, spade it up, make your ridges, and then unroll black tar paper or heavy building paper right down the bed. Cut small holes through the paper for transplants or even for seed. The plants will get the light and the bermuda grass won't.

The edges of the paper should come down to the irrigation furrow. Water will go around the edges of the paper and thus wet the beds. You will actually save on water, save on weeding labor, get a garden crop, and kill out the devil grass (bermuda) at the same time.

NEW FORM BIRTH CERTIFICATE NOW BEING USED

An addition to the California birth certificate is being called to the attention of physicians and hospitals in this district, according to Mrs. Marie Volse, deputy registrar for the Inglewood health district, which includes El Segundo. The new form includes a space for parent approval of information listed on the form.

While it is not compulsory for the parent to approve the statements shown on the birth certificate, many mistakes may be corrected before they become of record. Miss Volse pointed out. If a certificate is filed with the incorrect spelling of a child's or mother's name, for instance, it is necessary to file an affidavit of correction which becomes a part of the birth record. It is hoped that careful checking of the original certificate by the mother or father will obviate some of the mistakes.

Records of births and deaths occurring in El Segundo are filed in the Inglewood health center and information regarding them may be obtained from the deputy registrar.

George Mattson, 55, of Hermosa Beach was given first aid at the refinery hospital Monday afternoon for injuries received when the auto-glider he was operating ran into the front end of a locomotive crossing Sepulveda boulevard near the General Chemical plant. He was taken by ambulance to the Centinela hospital where it was learned that he had a broken shoulder and numerous "brush burns."

BIG SPECTACLE TO TAKE PLACE IN COLISEUM

Inaugurating their fourteenth annual fireworks spectacle and circus, the Los Angeles County Council, American Legion, will present this year in the Memorial Coliseum a decidedly new and more pretentious show than ever before. A complete circus including dogs, ponies, horses, elephants, trapeze performers, wire walkers, bicycle acts, sensational aerial acts, and funnier clowns than ever will open this world famous Fourth of July show promptly at 8. After one hour of circus thrills the most beautiful fireworks show yet staged by the American Legion will take place—new set pieces greatly enlarged to be more readily seen from every part of the coliseum are now being assembled in Redondo Beach by Pat Lizza, president of the Golden State Fireworks Mfg. and Display company, the largest fireworks factory in the entire west.

Opening the fireworks portion of the show will be a huge American flag in fire in an especially unique presentation. Some of the other effects will be Gold and Silver Geyers atop the peristyle, a 48-wheel combination, (the largest ever built) a flight to Mars, a new atomic Pat Lizza creation. The famous Fountain of Bayouk, a new Niagara Falls in color this year, actual midjet racing cars in streaming fire, a sea battle with jet propelled planes leaving the deck of a flat top and a remarkable reproduction of the world famous Taj Mahal in pyrotechnics, are just some of the more spectacular pieces to be seen. A sensational barrage to open and close the show has been designed by Harry Myers, Executive Director of the Legion who originated the fireworks show for the Legion, and has staged it for the past fourteen years.

Tickets are now on sale at all Owl and Sontag Drug Stores throughout the County and the American Legion advises early purchase of tickets if you are going this year to the World's Greatest Fireworks Show. Tickets may be had through inquiring of any member of El Segundo Post 38, American Legion.

(Continued from Page 2)

the first show in the Capitol Theatre in New York, under direction of Major Edward Bowes, of "amateur hour" radio fame who died a week ago. MacKenzie said Miss McDonald was "just a green youngster then" and added that she had certainly come far since those days.

Will Be Missed—Two men, who passed away recently, will be much missed in El Segundo—Joe Reddington and Art Blair. Both liked to do things for others. Reddington was president of El Segundo Chamber of Commerce for six years and an extremely active member of El Segundo Kiwanis club. He not only took a great interest in public affairs but was interested in helping others in the community in various ways. He taught a Sunday school class, started a Kiwanis club garden contest for boys and girls, heading this project for three years, and was active in many projects. "He was an excellent example of a good Christian," we have heard several persons say. Art Blair likewise enjoyed doing things for others. He served as "Santa Claus" on many occasions, making a big hit with the small children.

We Felt Happy—when a woman who had run a "lost" ad the week previous in the Herald, stopped us in the grocery store to tell us that the ad had certainly been worth while. Through it she recovered more than \$75.

R. G. Norlander of Security-First National bank who had the money, which had been left in a pasteboard box on a counter without any identification marks, looked in the Herald and by reading the classified section was able to get in contact with the owner, to her great relief.

From Here and There—Owner-occupied homes in California have increased by almost one-third during the last six years, according to the bureau of census... During the first four months of 1946, the three Douglas Aircraft company plants delivered 79 new and converted airplanes to the United States army and navy and to airlines of

"SPIRAL STAIRCASE" BEING SHOWN AT PLAZA THEATRE

The plight of a young girl who tries to outguess a maniac killer and finds she has guessed wrong, forms an exciting theme of "The Spiral Staircase," remarkable mystery drama starring Dorothy McGuire, George Brent and Ethel Barrymore, now at the Plaza theatre.

With a Vermont village at the turn of the century as its setting, the action of the picture all takes place in a few short hours, much of it in a forbidding old mansion where the heroine works as a servant and companion to the erratic, invalid Mrs. Warren.

A series of murders has shocked the community, and in each case the victim has been a young woman. The girl finds herself a logical candidate for the murderer's list.

A young doctor interested in her case urges her to leave town, but before she can do so she is marooned in the Warren home, discovers that the killer has struck again and she is certain to be next. Convinced that one of the two men present is the murderer, she desperately tries to save herself by locking him up, but the scheme fails and leads to the thrilling climax of the film.

Kent Smith, Rhonda Fleming, Gordon Oliver, and Elsa Lanchester are in the featured cast.

The city of Albuquerque, N. M., was established by the Spanish in 1706.

the world—valued at \$19,500,000... "We human beings are parasites. We take the hen's eggs, the cow's milk, and even steal the wool off the sheep's back," according to John Comfort, Los Angeles author... An election oddity occurred in the primaries at Stockton when Martin Ansbro, deceased San Joaquin county sheriff, who passed away two months ago, polled 1373 votes in the election for sheriff... With the divorce rate as it is, even the most optimistic preacher probably is embarrassed when he pronounces the solemn words, "Until death do us part."

Tile for drainage purposes should be durable.

The area of the national capitol grounds is 120.6 acres.

LOOK to Greyhound first for

EXPERT DRIVERS

The Greyhound bus driver has become a symbol of skill and service in motorized transportation. With him you ride secure in the knowledge that behind the wheel is a highly trained expert, one of the world's finest drivers.

Both training and tradition give the Greyhound driver well-deserved pride in his ability. New drivers, regardless of previous experience, receive a full month or more of intensive special training before taking over on their own. They must pass

certain physical and mental tests comparable to those of the Army Air Corps. And now most of Greyhound's former experienced drivers are back at the wheel after serving in the Armed Forces.

Remember, too, that these Greyhound experts are more than bus drivers... they are equally famed for their friendly, eager attention to every detail of service that makes traveling by Greyhound more than just a way to go places.

FOR THE BEST IN BUS SERVICE... COUNT ON GREYHOUND

PACIFIC GREYHOUND LINES

Proceedings of the El Segundo City Council

The following are the minutes of the meeting of the city council of the City of El Segundo, California, of the date shown in said minutes, prepared by the city clerk of said city, and which are to be submitted to the city council of said city at the next regular meeting thereof, for approval, modification or correction.

El Segundo, California.
June 19, 1946.

A regular meeting of the city council of the City of El Segundo, California, was called to order at 7:00 p. m. on the above date, in the council chamber of the city hall of said city, by William R. Selby, mayor.

Roll Call—

Councilmen Present: Baker, Peterson, Skelley, Thompson and Mayor Selby.

Councilmen Absent: None.

Reading of Minutes of Previous Meeting—

The minutes of the regular meeting held on the 12th day of June, 1946, having been read and no errors or omissions having been noted, it was moved by Councilman Peterson, seconded by Councilman Baker, the minutes of said meeting be approved as recorded. Carried.

Written Communications—

Written communications, received from the persons, firms or corporations hereinafter named, were read to the council and were disposed of in the manner indicated, following reference to each as follows:

G. M. McEachern, Fire Works Committee Chairman, El Segundo Post No. 38, American Legion, requesting a permit to set fireworks within the City of El Segundo between 6:00 p. m. July 3rd and midnight July 4th, 1946.

Moved by Councilman Peterson, seconded by Councilman Baker, the following resolution be adopted:

Resolved that El Segundo Post No. 38, American Legion, be and it is hereby granted permission to set fireworks within the City of El Segundo between 6:00 p. m. July 3rd and midnight July 4th, 1946; providing that such business shall be conducted in accordance with the provisions of ordinances of the City of El Segundo and State laws relating to such matters.

Carried.

Norbert Chas. Turcotte, dated June 13, 1946;

Layne B. Carlson, dated June 13, 1946;

Wayne Smotony, dated 6/17/46;

Tommie Gene Vaught, dated 6/17/46; and

George Wade Crockett, dated June 17, 1946; each being application for employment by the City of El Segundo. Ordered filed.

Mrs. A. D. Burket, Chairman, El Segundo Recreation Commission, dated May 28, 1946, containing a list of certain playground equipment recommended for installation in Grand Avenue Park.

It appearing that the council has heretofore taken action with reference to the matters referred to in said communication, in view of a verbal report made to this council by Councilman Baker at its regular meeting held June 5, 1946, this communication was ordered filed for the purposes of identification and reference.

County of Los Angeles, Road Department, dated July 1, 1946, reporting the city's apportionment of 1946-47 county budget appropriation for "Aid to Cities" (gasoline tax), together with the aggregate amount held by the county for allocation to the City of El Segundo during the fiscal year 1946-47. Ordered filed.

Mr. and Mrs. Ross E. Wunderlich, dated June 19, 1946, requesting a permit to place and occupy a trailer on their property at 206 West Sycamore Avenue, in the City of El Segundo, for a period of six to ninety days, and explaining the reasons for making the request.

Moved by Councilman Thompson, seconded by Councilman Skelley, the following resolution be adopted:

Resolved, that the application of Mr. and Mrs. Ross E. Wunderlich, dated June 19, 1946, for a permit to maintain a house trailer on their premises at 206 West Sycamore Avenue, El Segundo, be placed on file in the office of the city clerk for the purposes of identification and reference;

And, Be It Further Resolved, that subject to the provisions of Ordinance No. 223 of the City of El Segundo, and ordinances supplementary thereto or amendatory thereof, said applicants are hereby granted a temporary revocable permit to maintain and use said house trailer on said premises, provided that said trailer shall be made ready for occupancy and shall thereafter be maintained in a manner satisfactory to the building inspector of the City of El Segundo; and, provided further, that the maximum period during which said trailer may be occupied, subject to prior revocation of the permit by this council, shall be 90 days from June 20, 1946.

The foregoing resolution was adopted by unanimous vote:

James Elkins, dated April 3, 1946, being an application for "Automobile for Hire Driver's Permit."

The application being in satisfactory form and the chief of police having recommended, under date of June 19, 1946, that the permit applied for be granted, it was moved by Councilman Skelley, seconded by Councilman Baker, that subject to the provisions of Ordinance No. 283 of the City of El Segundo and pursuant to the application therefor filed with this council this date, James Elkins be and he is hereby granted a permit to drive, operate or be in charge of any passenger carrying or motor propelled vehicle defined in said ordinance; provided, however, this council reserves the right to revoke the permit herein granted, when, in its discretion,

such revocation would appear to be in the public interest. Carried.

McClure J. Caldwell, dated June 18, 1946, being an application to move a three room house from its present location in Beverly Hills to a lot at the corner of Eucalyptus Drive and Walnut Avenue, within the City of El Segundo.

Said building having been inspected by the acting building inspector, who reported that the same conforms to building ordinances of the City of El Segundo and who recommended the permit applied for be granted, it was moved by Councilman Skelley, seconded by Councilman Peterson, that the following resolution be adopted:

Resolved, that McClure J. Caldwell be and he is hereby granted a permit to move a one story three room frame building from its present location in Beverly Hills to a new location at the corner of Eucalyptus Drive and Walnut Avenue, within the City of El Segundo; said building, during the course of such removal, to be routed westerly on Imperial Highway from Sepulveda Boulevard to Eucalyptus Drive, southerly on Eucalyptus Drive to point of location; subject, however, to the prior deposit with the city clerk of the City of El Segundo of the fees or deposits not heretofore made, and subject also to the placement, in accordance with applicable ordinance of the City of El Segundo, of the building upon the property on which it is proposed to be permanently located.

The foregoing resolution was adopted by unanimous vote:

Reconstruction Finance Corporation, dated June 18, 1946, an application to excavate in certain of the public streets within the City of El Segundo, for the purpose of installing certain pipe lines for transporting Butyl and Butadiene.

Following discussion, it was moved by Councilman Peterson, seconded by Councilman Thompson, that Resolution No. 836, entitled:

A Resolution of the City Council of the City of El Segundo, California, Granting a Certain Permit to Reconstruction Finance Corporation to Excavate in Certain Portions of Rosecrans Avenue, Within Said City, which was read, be adopted. Carried by unanimous vote.

Reconstruction Finance Corporation, dated June 18, 1946, being an application to bore under the surface roadway of certain public streets within the City of El Segundo, as set forth in said application, for the purpose of installing certain pipe lines for transporting Butyl and Butadiene.

Moved by Councilman Peterson, seconded by Councilman Skelley, that Resolution No. 837, entitled:

A Resolution of the City Council of the City of El Segundo, California, Granting a Certain Permit to Reconstruction Finance Corporation to Excavate and Bore in Certain Portions of Sepulveda Boulevard, Within Said City,

which was read, be adopted. Said resolution was adopted by unanimous vote.

City of Los Angeles, dated June 11, 1946, File No. AC-36466, subject: "Hyperion Activated Sludge Plant," setting forth certain information and cost statements respecting the construction of a new sewage treatment plant and submarine outfall of the City of Los Angeles at Hyperion. Ordered filed.

The Metropolitan Water District of Southern California, dated June 14, 1946, with reference to the application of the City of El Segundo for annexation to said district. By general consent action upon the subject matter of the communication was taken under advisement and the letter was ordered filed in the office of the city clerk.

Division of Highways, State of California, dated June 12, 1946, transmitting in triplicate Memorandum of Agreement for expenditure of 1/4 cent gas tax for Streets of Major Importance within the City of El Segundo for the fiscal year 1947 and requesting that said agreement be officially executed by the City of El Segundo.

Moved by Councilman Baker, seconded by Councilman Peterson, that the following resolution be adopted:

Whereas, a memorandum of agreement has been presented to be entered into with the State of California in accordance with a project statement for expenditure of the 1/4 cent gas tax for the fiscal year 1947 allocated for streets of major importance other than state highways in the City of El Segundo; and

Whereas, the city council has heard read said agreement in full and is familiar with the contents thereof;

Therefore, be it resolved by the city council of the City of El Segundo that said project statement be and it is hereby adopted as the budget of proposed expenditures of the 1/4 cent gas tax allocated for streets of major importance other than state highways, and said agreement be and the same is hereby approved and the mayor and the city clerk are directed to sign the same on behalf of said city, said agreement to be binding upon the city upon its execution by the authorized officials of the state.

The foregoing resolution was adopted by unanimous vote:

Oral Communications—

None.

Reports of Standing Committees—

None.

Reports of Officers and

Special Committees—

The city clerk reported that pursuant to prior instruction of the council he had ordered one No. N 116 three-chair swing set from

J. E. Porter Corporation, through its Pacific Coast manager, for installation in Grand Avenue Park; that the supplier has informed

him by letter that this item is not available, but that a four-swing set, supplier's Catalogue No. 1068, might be substituted.

It appearing from the discussion which followed that the swing set proposed to be substituted for the one originally ordered will not meet the desires of the Recreation Commission, it was recommended that the swing set offered in substitution be not ordered and that the supplier be requested to back order the three-chair swing set No. 116 for delivery when the same is available.

The city clerk reported to the council that subsequent to its action authorizing certain surplus and used property of the City of El Segundo be advertised for sale, it was discovered that the city owns a used Spencer Stereopticon machine and a used public address system, complete with loud speakers and a microphone, which are no longer required and which, in his judgment, should be included among the items advertised for sale as heretofore ordered.

It was thereupon moved by Councilman Thompson, seconded by Councilman Peterson, that the following resolution be adopted:

Whereas, this council finds and determines that the following items of municipal property, to-wit:

- 1 Used Spencer Epiadscope (Stereopticon), with extra lens and extra 1000-watt lamp; and
- 1 Used Public Address System, complete with amplifier, microphone, loud speakers and cable

are no longer needed or suitable for municipal work or requirements and it seems advantageous for the city to sell same by written bid;

Now, Therefore Be It Resolved, that the city clerk be and he is hereby directed to include these before mentioned items in that certain notice inviting bids on certain other municipal property which this council has heretofore advertised for sale.

The foregoing resolution was adopted by unanimous vote:

The city clerk reported to the council that pursuant to its prior direction, he has obtained estimates of the cost of repairing the wire on the back stop and protective screens and fence at the high school campus ball grounds and that the best estimate is \$205.00.

Moved by Councilman Baker, seconded by Councilman Skelley, that the city clerk be and he is hereby authorized and directed to cause the wire back stop and fence at the baseball grounds on El Segundo High school campus to be repaired at a cost not to exceed \$205.00, including California state sales tax. Carried unanimously.

The city clerk reported that by reason of the additional flood lighting installations at the baseball grounds on El Segundo High school campus, the existing switch box and service wires have been found to be inadequate, causing fuses to burn out on several occasions and the switch box to take fire on one occasion. His investigations indicated that a new and heavier switch should be installed and that certain of the wiring should be renewed; that he has located a used switch, which is in good condition and which will fit the suggested needs and which he believes may be purchased for approximately \$40.00.

Following discussion, it was moved by Councilman Skelley, seconded by Councilman Baker, that the city clerk be and he is hereby authorized and directed to purchase a used 200 amp. switch and auto transformer for installation at El Segundo High school baseball grounds in connection with the flood lighting thereof, at a cost not to exceed \$40.00, plus California state sales or use tax, and to cause the same to be installed and to cause such other electrical work as is required in connection with the flood lighting of said baseball grounds to be done, so as to make the same adequate and safe. Carried by unanimous vote.

The city clerk reported that Mr. Chas. F. Beck, who supervised the radio communications division of civilian defense during the war, had informed him of his affiliation with the communications division of Los Angeles County sheriff's office for emergency service in event of a major disaster; that certain items of radio equipment should be procured to supplement those acquired by the city during the war and assigned to the use of the communications division of the civilian defense organization, so as to increase the power of presently owned equipment to permit of communication over greater distance than heretofore.

It appearing to the council that such a communication system is desirable and might prove of great value in times of extreme emergency or major disaster, it was moved by Councilman Peterson, seconded by Councilman Thompson, that the purchase of radio parts or accessories at a cost not to exceed \$35.00, plus California state sales tax, for use in connection with the presently owned radio transmitting and receiving apparatus of the City of El Segundo, be and the same is hereby authorized. Carried, by unanimous vote.

The city clerk reported to the council that Parks Superintendent McIlwain had requested he obtain the council's consent to the employment of two high school boys to perform certain services in the parks department.

Moved by Councilman Skelley, seconded by Councilman Baker, that the employment by the park superintendent of the City of El Segundo of two high school boys during the vacation period or a portion thereof, be and the same is hereby authorized, such employees to be compensated in accordance with Resolution No. 812 of the city council of the City of El Segundo fixing the rates of pay and hours of employment of employees of the City of El Segundo. Carried by unanimous vote.

City Attorney Woodworth reported progress in the matter of the purchase of certain parcels of real property which the council heretofore instructed him to negotiate. City Attorney Woodworth re-

ported that he has submitted to Gordon Whitnall, Planning Consultant, a form of zoning ordinance which he has prepared and that he has arranged to have a conference with Mr. Whitnall in the not distant future concerning this and other related matters.

Unfinished Business—

None.

Paying Bills—

The following demands, having had the approval of the Committee on Finance and Records, were read. Following are totals:

Water Works Fund—\$3474.21.
Pension Fund—\$262.29.
Recreation Fund—\$655.54.
General Fund—\$8308.40.

Moved by Councilman Peterson, seconded by Councilman Thompson, the demands be allowed and warrants ordered drawn on and paid out of the respective funds covering the same. Carried by unanimous vote.

New Business—

Councilman Peterson advised the council that Councilman Skelley had reported to him that in the latter's judgment householders have not been made sufficiently aware of the new plans for the collection of waste matter within the City of El Segundo and that in his judgment some means should be taken to give notice of the dates and hours of collection, the kinds and quantities of materials which will be disposed of by the city, the types of the containers in which the waste matter should be placed and the locations at which the containers should be placed for collection. Several methods of dissemination of this information were proposed and discussed, but no final determination with reference thereto was made pending a further discussion of the subject at the next meeting of the council.

Councilmen Skelley and Peterson drew attention to the fact that the city limits and traffic direction neon sign at Imperial Highway and Sepulveda Boulevard is not being properly maintained and the city clerk was requested to call the matter to the attention of the contractor or engaged to service said sign and to ask him to put the same in good working order at the earliest possible date.

Councilman Baker informed the council that he had received complaints about all day parking on both sides of Main street between Grand Avenue and Holly Avenue, which seriously inconveniences many people in the community owing to the parking congestion in the business district.

Other members of the council indicated their knowledge of difficult parking conditions in and about said district and the suggestion was made that automobile parking on Main street between Holly Avenue and Franklin Avenue and on Richmond street between Grand Avenue and Holly Avenue should be limited to periods which might conform with parking limitations on other portions of Richmond street, Main street and Grand Avenue. Action in this connection was deferred pending further consideration.

No further business appearing to be transacted at this meeting, it was moved by Councilman Thompson, seconded by Councilman Peterson, the meeting adjourn. Carried.

Respectfully submitted,
VICTOR D. MCCARTHY,
City Clerk.

Approved:
Wm. R. SELBY, Mayor.

PUBLIC NOTICE

(80269)
NOTICE OF INTENTION TO SELL
NOTICE IS HEREBY GIVEN pursuant to the provisions of Section 3440 of the Civil Code of the State of California, that ARTHUR C. SMITH, Vendor, of 223 Richmond Street, El Segundo, California, intends to sell to JOHN KOWITE and DERWIN L. RILEY, Vendees, of 223 Richmond Street, El Segundo, California, all that certain personal

ITEM 17: 1 Public Address System Amplifier, with two Loud Speakers, Microphone, and extension cord.

Bids should be submitted on forms which will be furnished free on application to the City Clerk at his office in the City Hall of said City. Bidders are requested to use said forms.

Bidders in bidding may bid upon one or more of said items. Said City will consider each item separately in selling said items.

Any person interested may inspect said nursery stock hereby offered for sale at the Municipal Nursery located at the southwest corner of California Street and Palm Avenue; and the said used equipment and municipal property at the Municipal Warehouse, located at Holly Avenue and Penn Street, during regular business hours.

All bids must be made upon said used equipment, municipal property or nursery stock "as is" and the successful bidder must accept the same accordingly, as the city makes no warranty with reference to the condition thereof.

Each bid must be accompanied by a certified or cashier's check or cash deposit, in an amount equal to at least 10 per cent (10%) of the amount bid. The check, bond or deposit of the successful bidder will be forfeited to the city in the event such bidder fails or refuses for a period of ten days after notice that the used equipment, municipal property or nursery stock has been awarded to him, to take the same and pay the balance of the bid price therefor in cash in full.

All bids must be sealed, marked on the outside "Bid on Used Equipment, Municipal Property and Nursery Stock", or "Bid on Used Equipment", or "Bid on Municipal Property", or "Bid on Nursery Stock",

and delivered to the City Clerk at his office in the City Hall of said City, on or before the 13th day of July, 1946, at which time and in the Council Chamber in the City Hall of said city all bids received will be opened, examined and publicly declared by the Council.

This notice is given pursuant to order of the City Council of said city, and is dated this 13th day of June, A.D. 1946.

VICTOR D. MCCARTHY,
City Clerk of the City of El Segundo, California.
Pub. June 20 and 27, 1946.

The grim reaper continued to run rampant on California highways and byways, with the state department of motor vehicles reporting 1330 persons killed and 23,775 injured during the first four months of 1946, an increase of 33.6 per cent in deaths and 36.2 per cent in injured over the same period of 1945.

PERSONS INTERESTED IN CITY ZONING TO ATTEND LUNCHEON

Persons interested in zoning for El Segundo will attend the luncheon Friday noon sponsored by El Segundo Chamber of Commerce in the dining room of the city hall. The speaker, as previously announced, will be Gordon Whitnall, consultant in planning and government, now employed by the city council to work out a zoning plan for El Segundo in conjunction with the newly-appointed zoning committee. The subject will be "City Planning and Zoning."

Since the district OPA office in Los Angeles is not open on Saturdays, Southland consumers are advised that they can save themselves time and trouble by phoning the price control agency weekdays only. It was announced today by Miss Vashiti Moore, chief telephone operator for the public buildings administration which handles telephone service for the OPA. She said that thousands of calls have been pouring into her office on Saturdays, with the result that consumers are disgruntled when their problems are left unanswered. In addition, it greatly over-taxes an already very busy switchboard, according to Miss Vashiti.

Federal Department of Labor

The United States Department of Labor, with its head designated as a Cabinet member, was established in 1913, during the first administration of President Woodrow Wilson.

First Anti-Trust Legislation

The first Congressional act providing anti-trust legislation was enacted by the Congress of the United States on July 2, 1890. It was known as the "Sherman Act," having been fathered by John Sherman, a Senator from Ohio.

Red Sox Team Drops Game in Tenth Frame

Fines Imposed Because of Row Over Decision

After 10 innings, El Segundo Red Sox lost its first league game to the North American U.A.W. team in Hermosa.

Red Sox was leading 7 to 3 going into the last of the eighth. One run had crossed the plate, two men were on base and two out when Bucky Emmick popped a fly to second. While the ball was in the air the umpire called "no play" because a second ball, thrown from the stands rolled out on the field. Even though the play was protested, it was played over and Bucky hit one over the center fielder's head. The winning run was scored in the tenth on a long fly.

El Segundo came home with the feeling that the team had been literally robbed and fellows vowed a repeat performance would not happen in the future. Decisions in the game were protested so violently that the manager of the U.A.W. team was suspended for the rest of the first round and the team given a fine of \$25. Red Sox team was fined \$10.

This Friday night at 8 o'clock the boys will tee off here against Hawthorne Chevrolet which has won one and lost two in the National league.

"The National league is one of the fastest leagues in Southern California, and any entry in the league is a tough team," says Howard Hampton, manager.
